His compositions span the musical spectrum, from the classical guitar to large scale musical productions, from pop to country, as well as symphonic works, and movie scores. He is an accomplished guitarist and percussionist. His most recent project is, The M. G. Rhyming Revue, a unique collection of songs based on the most beloved Nursery Rhymes, and will be enjoyed by young and old alike. Reviews: By Kathy Mansfield, Simpsonville, Kentucky I will never think of "Jack Be Nimble" or "Jack and Jill" quite the same way after listening to Philip Wade's fabulous new compilation of songs based on popular nursery rhymes. Themes of forgiveness, love, and redemption are just some of what you will hear in this accomplished work. Rock solid harmonies and catchy melodies make this CD a must-have for Sunday afternoon car rides and family fun nights. Great life lessons can be learned while you sing along. I found myself singing these songs in the shower, in the car, and at work long after the CD was put away. I guarantee you will do the same! y This Lamp Blog The M.G. Rhyming Revue is a studio-produced, eclectic collection of songs based on nursery rhymes aimed more at adults than children. That's not to say that children wouldn't like these songs, but it will take an adult with life experience to fully appreciate them.... While many of the songs are fun, don't mistake this album as a collection of nursery rhyme spoofs. This is not "Weird Al Takes on Mother Goose," but a rather a clever attempt to take something from our distant fond memories and combine it with the realities of life. By Al Bohl, Bossier City, Louisiana Philip, I have been listening every day to the CD. I am very, very impressed!

You are the master of melodies and solid hooks. These songs are deep and the more you listen, the more you are hooked. The chorus and melody for Little Miss Muffet is stuck in my head. Bravo!
