Electronic, Dance, 17 MP3 Songs in this album (60:23) ! Related styles: ELECTRONIC: Dance, ELECTRONIC: Progressive House Details: RICHENEL Recorded his debut single 'l'Esclave Endormi' in 1985 and was awarded with the Dutch "Silver Harp" in 1987. 1987 also was the year in which his debut album "A Year Has Many Days" was released, containing the hitsingles; Dance Around The World, Temptation and Don't Save Your Love. Other released albums are: Deep As Blue-1989, Oasis-1992 and Closer-1994 After a silence of many years Richenel decided to release one more album with a compilation of all his recordings from the period between 1995-2007. An album made with different producers and with material demonstrating the artists vocal diversity. With this album Richenel symbolically closes an era, and wants to say goodbye to his Disco-Dance career. For more than two decades this "Cult Disco Diva" sang all over the world, performing before extatic crowds, setting new trends and giving new examples, in an era which represented a social,religious and cultural change of society. Society, music and the world all changed so this is the time to enjoy "ARTIST IN EXILE" myspace.com/richenel
