

## Mp3 Serundal - Moonstone

[DOWNLOAD HERE](#)

A gem of an album- spiritually sensitive lyrics and vocals powerfully driven through 21st century musical arrangements. 8 MP3 Songs FOLK: Celtic Folk, FOLK: Contemporary Celtic Details: Exposed to the light,moonstone the gem has many colours. From a distance it is ordinary,but only when you look closely can you ever hope to see the full extent of its extraordinary beauty. In the same way,this album cannot be judged on face value. You will need to hear it again and again before you can realise the full force of its visionary power. Awesome.
