Swedish power pop. Ace melodies, fantastic 12-string guitars and more hooks than your grandpa's tackle box. "You'd be hard-pressed to find catchier power pop than that produced by this effervescent male Swedish duo." - Palo Alto Daily News 12 MP3 Songs POP: Power Pop, POP: British Pop Details: The Tangerines were formed in Stockholm, Sweden, 1996. Both Per and Hkan were founding members of Swedish recording artists Rain Refrain in the late 80s. Together they have continued to explore the art of the three-minute pop song. Their latest self-titled CD is pure power pop - 12 songs packed with rich melodies, infectious hooks, sweet harmonies and jangly guitars. "You'd be hard-pressed to find catchier power pop than that produced by this effervescent male Swedish duo. 'Leave Him Behind' could have been a good tune for ABBA. 'One Good Reason,' with its jangly guitar riffs, sounds like it burst forth directly from the '60s British Invasion and would fit in perfectly with the Searchers' greatest hits." - Paul Freeman, Palo Alto Daily News People who are interested in The Beatles The Byrds should consider this download.
