On behalf of THOROBRED and the 4080 Music Staff, all profits from the sale of this album will go to the American Red Cross. 9 MP3 Songs HIP HOP/RAP: Hip Hop, URBAN/R&B: R&B Rap mix Details: In a time when Hip Hop is quickly exhausting itself with murder rhymes and tributes to sex, money and drugs, an emcee emerges who represents the essence of our music with refreshingly honest and entertaining lyrics. THOROBRED steers away from modern day rap clichés to expose the listener to his form of expression that paints vivid images of all that he's been through - from losing his mother to drugs and a brother to a bullet. Not neglecting the fact that there must be a balance of pure entertainment when delivering a message, Bred does manage to transition himself away from his role as an ambassador of the struggle to treat his listeners to an earful of witty metaphoric rhymes and invigorating anthems without sacrificing his artistic integrity in the lure for money. Simply put - THOROBRED is a creative lyricist and a fresh break away from the average emcee. He has decided to pave his own path and take the road less traveled to present his music to the masses by merely being himself - NO GIMMICKS! With his gift for crafting songs and ability to leave crowd in awe with his sheer lyricism, I guarantee that while many may not know him now - they soon will!
