

Mp3 Ulises - Llegare

[DOWNLOAD HERE](#)

Bi-lingual Rock with a very romantic touch. It sounds like nothing you've ever heard. As original as it will ever get . 15 MP3 Songs LATIN: Rock en Espanol, LATIN: Latin Pop Show all album songs: Llegare Songs Details: I'm a 29-year old bi-lingual singer/-songwriter/ musician. I've been singing, writing and performing since the age of 13 while performing with my high school choirs and personal solo performances. In 1995, I recorded my first solo album titled, Ulises: "Chica Ideal", with collaborations from Giovanni Arriola (L.A. MIXERS/ GUARUMO, ANA SIDEL) and Nestor Daniel (Los Terricolas) While writing most of the material myself. The album was never released but will soon see the light. Some of the songs on this album got local radio airplay in 1997-1998 with 98.3 FM La Ritmo / Super Estrella in Los Angeles, Ca. In 1995-1997 I began a series of live shows in support of "Chica Ideal" around Long Beach, Los Angeles, Downey and other surrounding cities while slowly gathering a faithful fan base. During this time my brother Tyrone and I played a series of outdoor live shows at local high schools in front of 800-1000 screaming teenagers. I've had the fortune of being trained vocally by the legendary vocal coach Seth Riggs (Steve Perry, Straisand, Luis Miguel, among other huge singers) Among the instruments that I play are the guitar and bass. My brother Tyrone has been playing the drums with me for over 8 years. In 2001 I was fortunate enough to join Debbie Billingsley, Jane Thorson and Robyn Mcdowell as their bassist for the hard rock band from Long Beach, Ca "PLEASURE" and released "TRIP TO PLEASUREVILLE" in 2001 and in 2004 recorded "LOVE BATH" while doing back-up vocals and lead vocals on a Spanish version track called "llevame" while having a chance to promote the CD on the local Long Beach clubs. In 2005, my father Jesus and I started our very own One Day Records label/recording studio and went to record with Long-time friend Recording engineer / musician George Mejia (Fongus, Lupillo Rivera) what ultimately became "Llegare". We released my 2nd album titled, ULISES

"LLEGARE" in the winter of 2005 and right away manufactured 10,000 copies of the spanish version. The album was also recorded in English. The album contains 15 tracks, 12 are in spanish and 3 bonus tracks in English. I'm very proud of this album because I was able to capture the sound I had hoped for and also because I was able to write and produce all of the songs myself. Since the release of the album, I've promoted the songs as well as my image on the now popular myspace (myspace.com/onedayrecords) site as well as other sites that are intended for independent musicians (cdbaby.com/cd/ulises unsigned.com/ulises [musicababy](http://musicababy.com)) In 2006 i teamed up once again with Giovanni Arriola,Oscar Del Pinal and Andrew Light to be the lead singer on the group called "THE MIXERS " and recorded the album titled "MIXERS VOL. 3 LA ESCENCIA DE GUARUMO" which is already on sale at : musicababy.com.This site also carries the CD ULISES: LLEGARE(musicababy.com/ulises.htm Ulises is currently promoting his music through any online route possible while preparing songs for the next album.....
