His compositional work has been lighted from awards he received from prestigious compositional competitions as is the " John Lennon songwriting competition " in New York and the " USA song writing competition " . "Gagabunga" is the name of his group. Created in 1994 in Paris... a name that evokes the road to "Ithaca". A road that is long, slow, beautiful and full of experiences, surprises, disappointments, difficult and happy moments... "Gagabunga" stops and experiences different ports and cultures. Five musicians from around support the trip of "Gagabunga" all these years. Three Brazilians, one French and a Greek with the addition from time to time of two Americans, one Argentinian with his Bandoneon, two Catalans from Barcelona, a Colombian who added the color of Tiple and, another Greek who added the Bouzouki color. In addition an artist from Madrid (Rocio Asensi Vallejo) experimented with the group in adding her artistic visual concepts named "Paraiso artificial " (Artificial paradise). Now days "gagabunga"

is in port of Athens "Pireus" and new sounds, colors and cultures dresses up his road to "Ithaca".
