Details: "Do What You're Supposed to do" was all done between Christmas and New Years of 2005-06. I just drank a lot of wine in Josh's apartment by myself, tripping on the holidays in Beverly Hills, and did a kind of part 2 to Hella-Wicked but I didn't use samples. Most of the vocals are improvised with the exception of the quieter numbers. I used the hell out of my Yamaha PSR-172 keyboard at that time. It was my \$80 dollar christmas gift to myself that year. It's an amazing piece of shit and I use it to this day.
