

# Easy Poll Creator Script - Find Out What Your Site Visitors Think & Want

[DOWNLOAD HERE](#)

Find Out What Your Website Visitors Think, Like, Need & Want! Create Your Own Branded, Fully-Customized, Attractive (Text/Image) Polls, Easily... in Minutes! Do you have a website or planning on creating a new one? Do you know what your site visitors think and want? Answer This Million Dollar Quiz Question What is the easiest and fastest way for you to know what your website visitors think, like, need and want? Wow! :) Knowing all this about your site visitors is the guaranteed way to increased site stickiness, repeat visitors, growing traffic, happy and satisfied visitors/customers, a mega opt-in list, and a lot more, right? The Answer is: Adding polls to your website. It's a guaranteed winner for both your site visitors and you! Why? Polls only take seconds to participate in. People love them. Why do they love them? It's a psychological issue. People love to find out what others think (hey, don't you?) and polls are the fastest way for them to satisfy this curiosity. It's a win-win for both you and your site visitors. Major Online Players Use Polls on Their HOME Pages! I'd like you to start becoming aware of polls on the websites of major online players. News sites, business sites, health and fitness sites, family and parenting... you name it! They all have polls on their HOME pages! That's how important and beneficial polls are. Ok, so how can you create stunning polls quickly and easily? Easy Poll Creator - Create Amazing Polls for Your Website Quickly & Easily! How would you like to create your own professional-looking Polls with text and images and branded with your logo for your website in minutes! Easy Poll Creator allows you to create stunning, 100 customized polls with text/images, in minutes. It's poll creation made easy. ???? Easy Poll Creator Features & Benefits! Create new polls and manage existing polls via a simple Poll Management Area. Create text polls, image polls or text and image polls

quickly and easily. Create 3 Types of Polls: Single answer radio buttons, multiple answer check boxes and drop-down menus. Fully Customize and format your polls: Colors, fonts, sizes, borders, paragraphs; everything! Select any of the built-in themes. Use as is, or modify to your liking. Brand your poll by adding your logo/company name to poll headers and footers. You can even link your logo to your website URL. Set a limit on the number of votes per poll, and receive email notifications when the limit is reached. Prevent duplicate/multiple votes by the same voter. Control how poll results are displayed. Poll results could be automatically displayed to voters without the need to refresh the web page. Only the poll area would refresh; dynamic interface. Add and display a post-vote message to voters. Redirect voters to any link/web page you want after they vote. This feature is very powerful. You could direct them to your other websites, to an affiliate product site (with your affiliate link), etc. Tip: Offer your site visitors a gift for participating in the poll. After they vote, they can see the results and then they would be redirected to a special page for downloading the gift! Visitor participates in Poll Display Poll Results Display Post-Vote Message Redirect Visitor to Any URL You want! View summary table of poll results (choice, number of votes, percentage). Download your poll results in CSV format. More! Tip: You could even use polls to introduce your site visitors to a new product. How? The poll question could be: Attention [productABC] owners! "How much money has [productABC] helped you generate?" Your site visitors who do not know [productABC] would now be curious to check it out! :) Download Your Easy Poll Creator Now!
