Details: Ok, so last year approaching the holiday season, some buddies of mine and I were sitting around talking about Christmas music. We all know that every year radio stations start driving people insane

earlier and earlier playing the same ol' Christmas songs. So, I had an idea! Why not record a new version of a Christmas song that was outside of my typical genre, but not TOTALLY random? Thus, I bring you

my synth-heavy version of "Mary, Did You Know?" I went into the studio and basically just had a jolly

good time. Please enjoy and pass this rockin' rendition on from generation to generation. Who knows, this could become the classic version that starts driving us all insane for many more mid-Novembers! Rock it,

-Ai
