She honors her dad, Dennis Digbys former boss Loretta Lynn with an outstanding vocal performance on Love Is The Foundation and Deep As your Pocket. Digby makes you believe that she has lived the life of heartache, lost love and the need for the ever present drink in the songs that she delivers in Passion, Pride and What Might Have Been. Whether singing about the one that got away or the one that she wants to leave, Digby handles each song as if it was written especially for her.
