Swirling Shoetronica in this debut album from the UK: Soaring soundscapes, aggressive beats and strong chord progressions are all apparent. 9 MP3 Songs ELECTRONIC: Electronica, ROCK: Shoegaze Details: Ben Solo is a musician from the UK who fuses various influences into his sound - from 70's ambient electronic to 90's Shoegaze and with a strong hint of the French electronic finesse... an influenced fueled from his time living in the country. Although available to download this album was written with Surround Sound in mind - drawing on the ambient textures of music and placing them in the all-enveloping surround sound field, culminating in a varied account of Ben's influences and passions - from full dreamlike ambients to strong aggressive beats and powerful chord progressions. To get most from this album it is recommended you get hold of the full surround sound version on DVD as this shows the music in its true colours... That said the stereo version is still worth a listen!! People who are interested in BT Brian Eno Ulrich Schnauss should consider this download.
