"Magic French" sends young children on a magical adventure in Paris with little Bobby, Marie and the mysterious Madame Magique. Find the magic flowers, play "The Game" and bargain with the French speaking bird, while learning French. 23 MP3 Songs in this album (26:14) ! Related styles: KIDS/FAMILY: Educational, KIDS/FAMILY: Children's Storytelling Details: Beth Manners, writer and producer, worked for ten years as a project manager in international business and learned first-hand the importance of speaking other languages. She also observed, from European colleagues living in the states, how easy it is for young children to learn new languages. Upon becoming a mother in 1990, her interest and passion for early-language learning developed. She wrote her first script in 1996 and assembled a team of language teachers, college professors, composers, and foreign speaking child actors and singers to produce Fun French for Kids. She followed up with Fun Spanish for Kids in 1998 and released Magic French for Kids, Magic Spanish for Kids in 2000 and Playtime Spanish for Kids in 2005. Beth also writes and produces a school program entitled Classroom Spanish (or French) for Kids. Parent's Choice Award Winner
