1-800-BUY-MY-CD. This CD will take you on a wonderful, spiritual journey. JOE SIMON Grammy Award Winner and former rhythm and blues singer appeared on the Johnny Carson Tonight Show, Soul Train, American Bandstand and many others. JOE SIMON has a rich, smooth, haunting, anointed, spiritual voice! I AM NOT MAKING THIS UP. Special thanks to the Motown Temptations! I believe the Motown Temptations are the best R&B and Pop singing group in the history of music. It is an honor for me, Bishop Joe Simon, to have my personal friends to sing background on my CD. Listen to the singing and the story they tell through their beautiful voices. Special thanks to the Motown Temptations, Otis Williams, Ron Tyson, Barrington Scott Henderson, Harry McGilberry Jr. Terry Weeks. In addition, this CD presents a young man, Joshua Simon, hip hop rapping the spoken word and family music. In these times we need to reach young people by being positive. Hi, I'm Joshua Simon, special thanks to each and every one of you and thanks for buying my CD. Let me 'rap' in your homes and your communities. THERE'S A GOD SOMEWHERE and I AM NOT MAKING THIS UP. GOD BLESS YOU! JOSHUA SIMON
