

Mp3 Black Feniks - U Wont Believe Me

[DOWNLOAD HERE](#)

It's like a fresh breath of air, water to a thirsty soul, and medicine to a wounded heart... 17 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Hardcore Rap Details: Who is Black Feniks??? Born on March 29, 1980 in a Pulaski County hospital in Little Rock, Arkansas. Joe Lee Brown Jr's life started off sweet and ended up bitter. He was raised in Denver, Colorado and McGehee, Arkansas. His father initiated the down spiral of feniks life, when he abandoned his position as a father and a role model, by allowing crack-cocaine to influence his better judgment. Like the majority of single parent households, feniks mother still tried to hold her family together the best way she knew how. With two kids, a boy and a girl, all she could do was work to provide the basic needs for her children. While she was busy providing their physical needs, the street life stole her son psychologically. By 13 he had caught his first felony, at 14 he was initiated in the organization called Gangster Disciple. By 15, he had dropped out of school and been charged with several felonies. Prison or Death was the next step for him. Luckily, prison devoured him before death did. At the age of 16, he was faced with a possible life sentence being charged with 2 counts of aggravated robbery, terroristic act, aggravated assault, theft of property, Residential Burglary, and minor in possession of a firearm. Later on he received a 14-year sentence under the 70 law. Where he would do approximately 10 years of his life in the Arkansas Department of Corrections; leaving behind his family and an unborn child, who later became his daughter. In 2003, Joe adopted the name Black Feniks from the Phoenix Bird, because the bird resembled his metamorphosis through out his incarceration. Like the Phoenix, Joe consumed himself through the fiery flames of gang banging and disobedience. From that odyssey, he became the ruler of his destiny. A King who will live another life period, to awaken the feniks that lie dormant in the lives of our present generation... This album was written before my release. I hope u enjoy a portion of my odyssey... The saga continues... Feel free to

leave any comments. May God Bless you and yours!!! PLEASE TELL A FRIEND...
