Driven by piano, acoustic and electric guitars, strong rhythms, full vocals and provoking lyrics, her musics purpose is to take listeners into the presence of a very exciting, passionate, faithful and surprising God. For most of her life, Brenda fulfilled her passion for music by listening to pieces from all genres: rock, jazz, classical, techno, country, blues, world and pop. Though she never studied music in a formal setting, she found inspiration in other artists and used the inspiration to write her own music with her own sound. When Brenda accepted Christ at the age of twenty, her desire to simply write and perform music became a desire to write and perform music that would not only express her praise to God, but would change the worlds view of our Lord and Savior.
