COUNTRY: Country Rock, COUNTRY: Bluegrass Details: Brian Parnell comes from a background of "Carolina Country Rock" mixed with a healthy dose of Blues. He paid his dues with a string of regional rock bands, a stint in the US Navy, cruise ship bands and then migrated to Nashville as a singer/songwriter. "Living In Black And White" is a series of songs representing slices of life from middle America in the deep south and postcards from his very personal journey. Songs about heartbreak, lust, and prison. In short, all the things you'd want from a great country CD. Guest musician Keech Rainwater (Lonestar) provides drums for a classic truck driving ditty, "Hang On Juliet".
