Attending one of Chip's Family Concerts is truly a unique experience because it's not a "kids show" and it's not an "adult show"... it's exactly what it's billed to be... an all age event... FAMILY CONCERT! Chip's songs range from rollicking, fun, bash around tunes, to songs that are very spiritual, but not at all preachy. His songs seem to touch the heart of the "child" in us all, capturing snapshots of family life that people of all ages will recognize. Chip is a songwriter, musician, producer and performer. He also does some writing and speaking on parenting and family life. His last CD titled "My Dad's Coat" features well known guitarist and songwriter Phil Keaggy on the title track. Phil actually co-wrote the song with Chip. It can be reviewed at his website as well as here at CDbabyNow you and your kids can experience what families all over the United States have been enjoying... More fun than a kid (or grown-up) should be allowed to have at Chip Richter family concert!
