Acoustic Folk/Rock 10 MP3 Songs in this album (29:54) ! Related styles: FOLK: Alternative Folk, FOLK: Modern Folk People who are interested in Elliott Smith Van Morrison Jack Johnson should consider this download. Details: This was a project that was recorded in late 2007. Much of the original material was written by Chris Moore including the lyrics but a number of things were mixed in during production. It's a strange collection of moving tunes that I have come to love over the past year and I think it's worth sharing with the rest of the world.
