inspiring professional DVD BONUS CD recording of david live in concert. He is a 12-year brain tumor-survivor and hippiefolksinger :-) 15 MP3 Songs in this album (77:55) ! Related styles: FOLK: Minstrel, SPIRITUAL: Contemporary Christian People who are interested in David Wilcox Bruce Cockburn Jackson Browne should consider this download. Details: ***NOTE*** - The full concert on DVD is 17 songs - but only 15 tracks fit on the 80 min CD. Despite what the artwork says, Tracks 8 17 were cut. sorry for any confusion! :-) _____ David is a unique and inspiring artist. A 12-year survivor of a malignant brain tumor, the songs on his 18 albums sparkle with inspiration depth - but ever since his first LIVE album was released 7 years ago, his fans have been asking for a new concert recording. He brings a wealth of wisdom and wit to his his live performances that give his songs so much more punch. This concert was recorded in a small church in Georgia in January 2008 and combines a professional 4-camera video filming with superb audio, giving the listener the best of both worlds. See and hear david like he was in your very own living room. He performs for many different kinds of audiences. This concert is a beautiful blending of his best ministry to both cancer and church communities. The concert was a benefit for the Brain Tumor Center at Duke.
