Harmonic power pop rock with an emphasis on driving guitars and melodic vocals. Unchain this baby. 9 MP3 Songs ROCK: Progressive Rock, POP: Power Pop Details: "I love the track Follow The Sun. It moved me!" Steve Kaklamanos - The Spill Magazine "Listener response to Funhouse was just overwhelming." - Music Director - Bryan Levine, WERG "Wonderful *open* new rock .. mmmhh .. not single review had any *sounds like* statements ... yes quite unique!" LORD LITTER - across Europe via Radio Marabu "Here's a band that has got one aspect of their playing down pat; the song writing. With a wholesale return of this kind of pop musical sensibilities, Funhouse could be the pick of the crop." - RPM Magazine "Funhouse display a level of mature musicianship a definite cut above most independent acts." - Kerry Doole - Words and Music -Socan Be sure to check out Funhouse's second CD "Silver Lining" also on CD Baby.
