Details: Green Envy is Tulane University's original a cappella group. Located in New Orleans, Louisiana, this co-ed group is completely student-run, existing simply for the love of music and vocal performance. Many of our songs are arranged by group members and come from a broad range of musical styles. We change up our repertoire regularly, with the general hope of hitting mainstream pop hits, classic fan favorites, and some more offbeat material that we think our listeners should know! Check out our website for the latest group info, performance, and contact info.
