Heavy, zany, sludge rock performed by the village idiots; for the musically adventurous . 10 MP3 Songs  
ROCK: Noise, ROCK: Grunge Details: Guaranteed Katch was born out of the ashes of post mortem and  
colon on the cob . Arguably the greatest punk supergroup since the power station. Whilst not a critics'  
favorite, g.k., as their loving fans refer to them, have been packing the clubs in their native Waltham. The  
katch have started the great watch city revival. whether it be parades, dressing up in bunny suits or  
performing on the common g.k. is spreading the word on cup cakes and other follies. The first single was  
released in 1997. butt waxx reordings launched the first katch cd in 2000 the mind altering steak bomb.  
Just listen in and join the jamboree.
