A warm breeze, of authentic blue country folklore with acoustic and electric groovetones, from way downunder .. 12 MP3 Songs BLUES: Acoustic Blues, FOLK: Folk Blues Details: The rain is falling in the tropics and I'm sitting inside with the smell of the dry earth swallowing it whole, This is Broome West Australia. I am spending more time here as it is very conducive to writing and a great change... My Music is in me I'm just getting used to now letting it all out . currently working on album # 3 and enjoying the process and the chance to improve on sound, feel and delivery. Are getting closer to a true live representation of my work but still keeping it as simple as possible, less is more is a good adage. As the world seems to get crazier I reflect on my own life and withdraw to the things that keep me whole. Peace to you all Gus
