A good combination of Country and Country Rock. Some about love, and some true life stories such as: "Daddy Tried" 14 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Country Rock Details: I've been writing songs with and without co-writers for many years. I've had several records recorded. Ray Sanders did a fantastic job on "Midwestern Cowboy". Heather Joy is featured on radio "Southern First Play" in New Zealand, and got #1 reviews on the song "That Was Then". Also from Belgium this e-mail: "I would like to have your music to play in my show on Radio Golden Flash in Belgium. For almost 23 years specialized in rootsmusic." This New cd "Slice Of Life" has various styles of mixed country sounds, with "Daddy Tried", a true story, written by the late Robert DeGraff. I wish he was alive now, to see his dream come true. Its going over well here in Canada. Support the indie artists, we need your support. "THANKS CD BABY" for all your hard work getting my cd's up and going. Your hard work is appreciated. Also featured on the album "Slice Of Life": Country Artist Songwriter, J. Gale Kilgore is from Big Spring, Texas USA and well established on the overseas charts with many of his great CD releases. The late Country Artist, Johnny Mac Cates, from Mc Kiney, Texas USA and his band played in many of the most recognized showplaces in Texas. He and his band opened for many class acts. Country Music was his whole life.
