The crystal method meets Trent Reznor and Marilyn Manson 12 MP3 Songs ELECTRONIC: Industrial, ELECTRONIC: Techno Details: well im an Evil Techno artist with aspirations of global domination, but seriously ive been making techno for about 6 years now and been playing bass for about 8. I love good music and it seems very hard to find good techno, most is mass produced make, same anoying beats, no creativity. I promise you that you will not find that with HedCas!
