The Best. No More No Less 8 MP3 Songs HIP HOP/RAP: East Coast, HIP HOP/RAP: Rap Details: Hefna'z Produkshunn LLC, on the path of success driven by destiny: Hefna'z Produkshunn LLC is a company that provides services beyond the typical. Music production, artist management, studio recording, graphic and web design are all in house services that Hefna'z provides. The levels of professionalism and trend setting is far beyond the transactional, in building relationships and connections that are tailored to meeting our artist's needs. Hefna'z success, therefore, rests on its ability to provide our artist with the means to express their talents and develop them with the understanding of their goals and aspirations. It will require not only giving them better access to intelligence and insight but also providing platforms, and tools that will enable faster, better, and more lucrative decisions and artistic progress. Hefna'z Produkshunn was started by Marlon Washington in 2003, President/CEO. This company was created to take a vision of music production to a multimedia level. From its conception to present day Hefna'z has grown from 3 recording artist to 7, which includes 6 rappers and 1 R&B singer. There are also 3 in house producers ready provide create music regardless of the genre of music or the scope of the project. The artist and company also have an affiliation with ASCAP publishing. With all this considered it is not a surprise that Hefna'z has been called the next Rocafella Records. The ball has been in motion, destiny now dictates the period of time it takes for Hefna'z to reach its inevitable success.
