The Versatility of an artist with true vibes to keep all listeners alive and gasping for more. such style of a mixture of flavor after flavor a taste of Dance Hall, Rumba R&B Meringue, And Much More. He Meanly Specializes In Calypso, Soca and Zouk . No other than the Voice of St. Martin/ St. Maarten His Majesty Baker Jr. Andrew D Richardson Reigning from The Friendly Island Saint Martin /st marten Sunshine City , mother of two nations , with an astounding 37 square miles an Island of many languages but Meanly speaking French Dutch. Are you ready for St. Martin's Finest ? His Majesty Baker Jr. With knowledge of authentic Calypso Soca artistry, he is ready to take on the Soca world by storm! So let's go back to the 70's and 80's when his father "The Mighty Baker" would participate in calypso competitions throughout the Caribbean, and became a role model for Baker Jr. but because of his nationality and partiality of some he lingered among other calypsonians apart French and Dutch for such reason he never got the recognition he deserved! Baker Jr. aware of the plight of his father has vowed to finish the effort his father started and bring soca calypso to a new level. Don't be fooled by his young appearance. This master of creativity and intellect speaks for it self as he expresses talented lyrics with accuracy and precision that strikes his audience with a variety of concepts from fast tempo, slow tempo, party songs to aggressive social commentaries and political documentaries crying out for equality. " HIS MAJESTY BAKER JR." WILL DEFINITELY CAPTURE YOUR ATTENTION AS HE CAPTURED THE HEART AND SOUL OF COLYPSO AND SOCA!
