InchWORM's live shows are consistent everywhere they play, with a loyal following that grows with every

performance. "Outlying Areas", recorded by Andy Gerber at Million Yen Studios has garnered sparkling

fan appreciation. InchWORM has one goal in mind: becoming the next big thing out of Chicago. Like The

Beatles? Neil Young? The Band? Pink Floyd? Like Wilco? Son Volt? You'll like "Outlying Areas". The

band will continue to do only what they know: write and perform the best they can. They may be

categorized as indie rock, roots rock, psychedelic rock, or even alt-country. Regardless, the music is pure
