Details: Jack Cadillac is an original band from Waycross Georgia that pull from a large well of musical influences including hometown legend Gram Parsons, the godfather of country rock. Although influences by Parsons are evident, Jack cannot be labeled as easy as that. Singer/Songwriter Sean Clark has been compared to the likes of Bob Dylan, Tom Waits, James Brown, J.J. Cale and Hank Williams Sr. among others. Sounds of Hendrix or early Clapton can be found within the talents of guitarist John Pope. This combined with the rock-pocket bass styling of Brandon Doty and the hard hitting drums of Dylan Crosby make up what rock music lost in the 60's and 70's. Jack Cadillac was formed early 2002 by it's core members Sean, John, and Brandon in the top loft of Sean's then CD store (The Velvet Groove). Early on John would often play drums on some of Jack Cadillac's first demos. If a drummer wasn't available for live gigs John would often play drums, leaving guitar solely up to Sean, who was already an accomplished player. This worked for a while, but it did not allow for Seans vision of Jack Cadillac's sound to fully come together. With John and Brandon away at college, the band took a break except for Waycross' Annual Gram Parsons Guitar Pull Tribute. During this time Jack played gigs with a handful of drummers, which eventually led to Dylan Crosby, a young fireball of a musician and one of Sean's early guitar students. Jack began gaining audiences in other Georgia towns other than Waycross such as Statesboro, Macon and Savannah. With only a few months of Dylan in the band, Jack Cadillac headed to Palmer Texas to work with Texas Music Mogul "Sam Taylor" - (Kings X) to record what will be their debut CD "Silhouettes of a Once Shakin' Town", featuring Jamie Oldaker, Sam Taylor, Max Dyer and Al Perkins, set to be released this Summer (2008). This 5 song CD is

a sampler and a taste of whats ahead, the project took another great turn when Jim Scott came on board to Mix the record. Meanwhile, Jack Cadillac is loosing no stride and playing at several venues around the south. Check with the Jack Cadillac Myspace page for dates and location information.
