Slamming cd featuring ladies thriller "Female Pimps". 12 MP3 Songs in this album (38:23) ! Related styles: URBAN/R&B: Urban, HIP-HOP/RAP: Hip Hop People who are interested in Gerald Levert should consider this download. Details: The artist is a very masculine guy who understands the needs, desires of women of all races and personalities. being a nurse by profession, works around all types of ladies. Also the artist has a full understanding that if the women of our society are pleased, the whole society will be ok. The Bodytalk cd starts with embracing the strengths of a woman. Female pimps(females persistantly insuring more power) then goes into a whole host of sexy songs from there. The rest is history. If you like music and lyrics that are degrading to women, you probably wouldnt like Jae; but if you like sexy songs that also embrace the 21st century woman, with the capacity to also show the strengths of a man; Loving a woman in everyway she needs to be loved, this cd is for you.
