ELECTRO-POP 12 MP3 Songs POP: with Electronic Production, HIP HOP/RAP: Alternative Hip Hop
Details: RENEGADE RECORDS LLC ARTIST PROFILE JAMES SOWERS You almost heard about Korean born singer/songwriter James sowers in 2001 when he began recording the never released album "Struck by Lightning". Some of the songs actually recieved limited airplay on college radio, but after his label folded the project never saw the light of day. Not one to become a victim of circumstance although disappointed james continued to pursue his musical aspirations. As typical music genres blur and barriers such as age and race begin to tumble James is at the forefront of the next generation of innovators. Abandoned at birth James learned at an early age the survival skills necessary to succeed not only in music but in life. James vision is to give the world music they can feel and relate to the by-product of these experiences is Notice Me. The 12 song debut album's music ranges from tender love ballads to electronica flavored hip-hop. James performing career began at the club International while still in high school he has performed on public access cable as well as at the world famous Apollo Theatre.
