A delightful collection of catchy, easy to learn singalongs for young children. 10 MP3 Songs

KIDS/FAMILY: Children's Pop, KIDS/FAMILY: General Children's Music Details: Jamie Shaheen hails from Canton, Ohio. A classically trained pianist as a child, she loved to gather family and friends around the piano for sing-a-longs. Pursuing her dream of a career in music, she earned her music degree from Kent State University and began working as a professional musician after graduation. Currently based in Los Angeles, Jamie has established herself as one of the most sought after singer/pianists in Southern California. In addition, she is a performer for the Disney Corporation and has appeared leading sing-a-long shows for special events. Building on her love for children's entertainment, as well as her impressive credentials, Jamie has recently released a CD of original songs for kids entitled "Everybody's Happy When They're Singing." It forms the basis of her original sing-a-long show, which she is performing for children across America. Jamie Shaheen is a member of the American Federation of Musicians, as well as SAG, AFTRA and ASCAP.
