The music offers relaxation, and an opportunity to go on an inward healing journey. 14 MP3 Songs NEW AGE: Healing, NEW AGE: New Age Details: You are invited to go on an inward journey through the music you are about to hear. This is my gift to you. It is an expression from my heart and soul. Music is a thread that connects me to who I am and it is how I express myself. Creating music has taken me on my own inner journey. That is why most of the compositions are improvisational. My hope is that this music will act as a catalyst for your own personal healing. Blessings!
