Smart, melodic roots-rock; the likes of Freedy Johnston, The Jayhawks, Tom Petty, Toad The Wet Sprocket. 9 MP3 Songs ROCK: Americana, POP: 90's Pop Details: This is a must-have record for the new-roots millenium! If you like Freedy Johnston, The Jayhawks, Lucinda Williams or Tom Petty, it only makes sense for you to own this CD! "Resolve" is the debut full-length debut release from John Haydon Ten Worlds in 1999(RadioFly Records). John Haydon's voice expresses much sincerity and heart. The band is tight, the players are top-notch. This band rocks! One listen and you will find yourself singing the strong pop hooks days later in the shower. Don't look any further for a top quality roots CD. "They sound like Lucinda's or Emmylou's back-up band, yes they ARE that good. Heartstoppingly good." - The Noise: June, 2000 "Like-minded nightcrawlers should check out quirky electric popster John Haydon" - The Boston Globe: June 16, 2000 (*note-album cover art by Nayantara Kabir)
