Modern Piano Pop music in the tradition of the great singer/songwriters. 10 MP3 Songs POP: Piano, POP: Today's Top 40 Details: Top local Baltimore musicians contributed to this project two years in the making. Note the crisp guitars of John Grant and Gary Young, melodic bass lines of Len Sitnick, and solid backbeats (sometimes layered over programmed loops) from drummer Jeff Knabe. Combine all this with strong piano and vocal performances, tight arrangements and interesting bridges and hooks, and you have an album that breathes like old-time singer/songwriter material while keeping your attention with sounds you haven't heard before. The songs in Accidental Conversation are a unique combination of pop song formats and meaningful lyrics. L.T. pays careful attention to lyrical content while offering the listener a tightly constructed musical package. The result is an accessible compilation of songs the listener can enjoy over and over. Accidental Conversation is piano pop with a confident, introspective character.
