She studied piano at the University of Texas at Austin and received her degree in music composition at the University of Southern California at Los Angeles. She

was composer-in-residence for the Brazos Valley Symphony Orchestra for six years and has received grants from the Texas Commission on the Arts, the Texas Composers' Forum, and the National Endowment for the Arts. Ms. Larson has composed three symphonies and pieces for a variety of chamber ensembles. For eight years, she produced, directed and scored numerous award-winning videos, including an award winner at the prestigious New York Film Festival. At present, Julie is writing music based on the melodies of traditional hymns. Her new music is cinematic in style -- movie music -- and the unsung words to the hymns are the dramatic inspiration. "My goals are simple. This music is written about the glory of God, and my desire is to glorify God with it."
