

Mp3 Kernelgreen - Engagement

[DOWNLOAD HERE](#)

An Americana production of a Pop-Folk-Rock singer-songwriter -- 12 songs exploring relationships, feelings, as well as political realities; ways of growing and being stuck. 12 MP3 Songs POP: Folky Pop, ROCK: Folk Rock Details: Not from Buffalo or Springfield, shades of David Gray and Jackson Browne won't blend to give you KernelGreen but un Poco de CSNY Neil starts to get you a bit closer. These trax have Byrds and Motown in the wings and Beach Boys in the belfry. But Hey! a guy that was born in Trinidad -- then the West Indies -- and who once worked designing and building hi-tech clean rooms for semi-conductor manufacturing giant, BIG BLUE, is bound to make music a bit different from the average string plucking musico.
