Urban flavored Smooth Jazz and R&B with many exciting twists and turns. Over 3 years in the making, this music captivates the listener to the very last drop. 10 MP3 Songs JAZZ: Smooth Jazz, URBAN/R&B: Soul Details: Over 3 years in the making, this album represents a multitude of experiences and growth. Let's Dance represents an invitation from the artist to the listener to engage in a musical journey. With the various textures and sounds presented on the musical palette offered on this CD, the listener is guaranteed a journey of sorts on each track. This project offers smooth jazz tunes with urban grooves and hip beats, funky grooves with vocals, dazzling keyboards and solos, bossa nova standards and even a bonus reggae track with vocals to boot. Jazz pianist Kobby bares it all on this one. Check out childrens laughter, a thought provoking melody featuring maestro guitarist Micheal Zanabili playing brazilian riffs and rhythms that sit perfectly with the mood and thought provoking sensibility of the choruses ... "Let the Childrens Laughter Bring Tears To Your Eyes". Also checkout master trumpeter Eddie Gale on tracks such as Lets Dance and Whiskey Run, as he lays incredible licks down, against the backdrop of tight Urban Grooves. This CD is a must have and is a different offering because every single track wins. "Let's Dance"
