

Mp3 Kyria - Whispers In The Dark

[DOWNLOAD HERE](#)

R&B pop crossover made with a mix of synthetic and real instruments played by real musicians. A voice from above. 10 MP3 Songs URBAN/R&B: R&B Pop Crossover, POP: Today's Top 40 Details: Kyria is a great new singer that sings about real life, having been close to death herself. She now can share the love with all that are willing to listen. She inspires and motivates, while also giving a relaxing tune or three to chill out with.
