My style is a blend of country, folk, and blues idioms. 11 MP3 Songs FOLK: Modern Folk, COUNTRY: Country Folk Details: Hello friend. What follows is a little bit about myself. I began playing as a folk musician in the sixties. Since, I have played bars, taverns, coffee houses, colleges, folk festivals, and farmers' markets over the years. I am currently a musician with a day job who loves to write. I live in Spokane, Washington where I play local acoustic friendly venues. Rocky Ground is my first recording. It is dedicated to my wife, Darlene, without whom this work would not have been done. I hope we meet somewhere down the road, and thank you for buying this album. It's been a long time comin'. Peace, Laddie Ray
