

Mp3 Lew El - Wdelta 24.7 Fm

[DOWNLOAD HERE](#)

The Mississippi Delta has it's own living legend, Lew El, King of R-A-P, this is his first album..notice the rawness the realness str8 outta the cotton fields, soybean fields, the corn, the rice, the wheat, and last but definately not least the catfish 12 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Southern Style

Details: Excerpt from Superman Wonderwoman (Track #7 on WDELTA 24.7 FM) Born and raised in the delta, where crops grew and were praised/ My father told me, "make good grades son look how it pays"/ He a farmer with four children, all in grade school/ My mama, she works too, gotta pay the bills when they due/ Morning come, we in the welfare line feeling defeated/ waiting on government assistance cause still we need it/ My father gets a night job at the catfish plant/ Come home, we get full of the plant rejects/ Yet and still back home ain't much changing/ Still no hot water, we boiling water for bathing/ And my oldest sister, she wants to go to college/ Her grades say scholarship, but only a partial/ My father can't afford college, so he must do something drastic/ He went to trucking school, took the truck test, and passed it/ Away from home all the time, but that time's paying/ Everyone's growing older and everything's changing/ Ever since then we been having a phone and hot water/ and a roof over our head, with no leaks no more/ I recall my first pair of Nikes when I was seventh grade/ And when I was eight grade, no more free lunches, I had to pay/ Amazing how we went from have nots, to have somes/ To middle class, from living in the midst of the slums/ Keep on trying, Lord knows times change from here/ and when it seems like they never will, just continue to live.
