Brian Eno and Damon Albarn would be highly pleased if they went to a StereoLab concert together and we were the opener. 9 MP3 Songs ELECTRONIC: Experimental, POP: with Electronic Production
Details: What's that coming down the street? An unassuming radiant energy, faint at first glance. Then that sound just hits you: a throaty burble, unmistakable when you know it; sounds of Sleepwalker emanate throughout. "A member of the experimental indie cadre," you think. The colors and aural textures, while rich, are subtle. What you might call "inconspicuous consumption." Not everyone is going to notice. You've gotten used to this by now, haven't you? Magnus- Sleepwalker (Nefarious 2004), with a snazzy digipak, orange with black trim. Uncommon fabric, substantial appearance, has depth, yet light and soft. Complex, subdued colors evoke an imagery of genius. Those who know will know, those who don't, won't. I didn't create this situation, that's just the way it is. Regular price: \$11 One size fits all. Sleepwalker is composed of light and dark tones, medium and dark nuances, touches of cream and blurry surrealism. Your ear swears it's going to feel pebbly against your skin, but it doesn't. Magnus is a band from Chicago. For more visit MagnusMusic.net
