A rock band with singer/songwriter sensibility 5 MP3 Songs ROCK: Modern Rock, POP: Beatles-pop
Details: The name of the CD and the band is simply MASSIMO, a rock band with a singer-songwriter heart. The songs are anthemic, at times almost epic in scope, with rich harmonies, undeniable hooks and thought provoking, intense lyrics. Powerful. Poetic. Penetrating. If you're looking for the next disposable pop act, this CD isn't for you. But if you've been searching for something more satisfying, MASSIMO definitely delivers.
