Hook laden acoustic rock that keeps your toes tapping along. 11 MP3 Songs ROCK: Modern Rock, ROCK: Acoustic Details: Northern Life, the debut album from Matthew Masini is a bouncy combination of acoustic hooks, catchy lyrics, and youthful exuberance. The album, recorded in Alaska with New York rock legend Don Morrell (producer, lead guitar) is a promising start to the young songwriter's career. As many of the song titles suggest, the album was partly inspired by the beauty and sights of the wilderness in Alaska. Other than that, the same old stories of love, life and all the other stuff that goes with it.
