A wide variety of musical styles and moods from upbeat praise to kick back fun to intimate and heartfelt worship. 11 MP3 Songs POP: Today's Top 40, ROCK: Modern Rock Details: Michael Lion Bio Michael Lion combines the sparkle of the Broadway stage, the explosive energy of pop-rock music and the fun of the circus . . Michael Lion is best known for his far-reaching energy, dazzling multi-faceted creativity and authentic, heartfelt, and eclectic musical style. Founding artist and President of New Wine Media, Inc., Michael has an entertainment and ministry background that ignites his passion for communicating through music, arts and media. Crowds and critics rave about Michael Lion's dynamic music and explosive energy. In the entertainment industry, Michael discovered a love for music and theater. This discovery led to a professional career on stage, and in television and film. As actor, producer, and director, Michael combines his passion into a powerful, and playful, performance. A gifted pianist, composer and singer, Michael produces a tour de force of talent on stage and in the studio. Lion's extraordinary career began in the center ring of the circus. His show-biz debut took place at the tender age of 3 months, when he was brought on stage and balanced high atop his father's hand, during dad's trampoline and juggling act. For the next 15 years, Lion performed in the family's trampoline and juggling act, touring throughout the world with various circuses and the world famous Harlem Globetrotters. Lion's love for performing flourished and expanded to almost every area of music and theatre including concerts, festivals, Las Vegas stages, churches, CCM venues, musical and theatrical directing, composing, playwriting, producing, and acting. Life in the circus and theatre has been a strong influence on Michael Lion and is part of the distinct flavor of his artistry. In ministry settings Michael desires to communicate God's grace and love through the creative languages of the arts, entertainment, and media. His experience in full time ministry as a Worship and Media Pastor in the local church environment produced strong insight on

blending the arts, entertainment, media, and technology with ministry. For more information, contact Michael Lion at 303.671.9800. Call toll free at 1-888-689-5138. Michael can also be reached via email at michael@newwinemedia.com. Michael has been awarded honors from theatres, educational institutions, corporations, and ASCAP. He has been commissioned to create original productions and music for international organizations. In addition, his concert and performance credits are extensive and include venues from coast to coast.
