

Mp3 Moniker - Westwood

[DOWNLOAD HERE](#)

Moniker is a collaboration between two good friends with decidedly different musical focuses. A mixture between electronic music production values and indie-rock sensibilities. 11 MP3 Songs ELECTRONIC: Pop Crossover, ROCK: Emo Details: Formed in 2002. Moniker is Brett Yarnton AKA Byproduct and Andrew Galluccio AKA Galloo...they originally started recording while living in the same household...now more than 5000 miles apart they still make "the music"...Byproduct from Vienna and Galloo from Seattle...shows and touring are inevitable...work on a sophomore album has already begun...eventually...they will be rolling their way into the semis...
