Smooth, swaying rhythm and blues, anointed gospel and beautiful ballads. 10 MP3 Songs URBAN/R&B: Rhythm Blues, EASY LISTENING: Crooners/Vocals Details: Mr.B's extraordinary talent began at childhood. He was humming music and melodies long before he could even talk. As the years went on, John B. was looking for an outlet to reach his musical aspirations. He joined the Church Choir, and the Glee Club. Gospel music was and is an influence in John. So were stars like Jackie Wilson, and many of the Motown Artists of that era and now as well. John has built a reputation as one of the Washington D.C. area's top singer/songwriter, he has performed at high profile clubs and major universities. John has regularly won talent awards and made several television appearances. Currently, John is promoting one of his new CD's. He is receiving outstanding reviews and radio airplay in several major markets. His goal is to sing the music that touches the hearts of so many for days to come. This CD is a must for any music collection. Yours Truly, Mr.B of D.C.
