tenminuterelaxationcd.com/pages/how_to_use_the_ten_minute_relaxation_cd First and foremost, you should never drive a vehicle or operate any type of machinery while listening to this CD. Injury could result. To obtain the best results from this CD, you should find a quiet place, and ask not to be disturbed. You should also find a comfortable body position, like lying down. If you decide to sit in a chair, make sure it is comfortable. If you follow the guided commands, you will relax. This CD is a form of self-hypnosis, through suggestion. The operative word here is "suggestion". You are simply asked by a voice to give yourself permission to relax. By giving yourself permission, you are in control. You can bring yourself out of this relaxation any time, just by willing it. You will also come out of this relaxation alert and vibrant with no side effects, any time you will it. So relax, enjoy it and find out how refreshed it can make you feel. Q: Anything else I should know about? A: Yes: The audio has "waking commands" to bring you back from your relaxation, or you can ignore the commands and use this CD to help you fall asleep. The CD also contains ambient waterfall sounds mixed with the narration and a subliminal track accompanied by waterfall sounds. Finally, there are also thirty minutes of waterfall sounds that you can listen to as you relax and easily visualize being near a waterfall. See the track list here: 1. Introduction :60 2. Narrated Relaxation Track 10:00 3. Narrated Track with Falling Water Sounds 10:00 4. Subliminal Narration Track with Falling Water Sounds 10:00 5. 30 Minutes of Falling Water Sounds 30:00 Finally, The Ten Minute Relaxation CD is narrated by national voice actor Nelson May, who has over ten years of experience relaxing and motivating groups and individuals.
