World Infused California Jam 11 MP3 Songs ROCK: Jam-band, WORLD: World Fusion Details: New Monsoon combines the rhythmic elements of world percussion with energetic acoustic and electric guitar work and a distinctive vocal style. The infectious grooves are propelled by Afro-Cuban and Indian percussion, and influenced by funk, latin, blues and bluegrass forms. New Monsoon's music always draws appreciative comments from fans of Santana, The Allman Brothers and Dave Matthews. The band has also earned the admiration of acoustic music lovers by blending unique acoustic textures from banjo, dobro and didgeridoo into their sonic repertoire. The dynamic interplay between acoustic and electric instruments, strong vocals and insightful lyrics, and the infusion of North Indian and Afro-Cuban rhythms form a sound never before heard in the Jam Rock world!
